*Learning to Pray* explains what prayer is, what to expect from praying, how to do it, and how it can transform us when we make it a regular practice in our lives. A trusted guide walking beside us as we navigate our unique spiritual paths, Father James Martin lays out the different styles and traditions of prayer throughout Christian history and invites us to experiment and discover which works best to feed our soul and build intimacy with our Creator. Martin makes clear there is not one secret formula for praying. But like any relationship, each person can discover the best style for building an intimate relationship with God, regardless of religion or denomination. Prayer, he teaches us, is open and accessible to anyone willing to open their heart.
