

Rick and his wife, Karen, moved to the Wilmington area in 2020 to be helpful in caring for their newly born granddaughter Lilly.

Rick is a retiree with 45 years of experience working in the school community and the church. He served as pastor for Tod Ave. UMC in Warren Ohio for nearly 5 years before relocating. Outside of his family, the church youth group was the greatest influence on what direction his life would take. In gratitude for what God and the people of God have given to him, he desires to be of further use in advancing the Kingdom of God.

They are both excited to be a part of the Wesleyan Chapel faith community and look forward to getting to know everyone.

Please introduce yourself to Rick and Karen if you see them around campus. We are grateful to have them with us!
