

CORNERSTONE

YOUTH MISSION WEEK:

Serving, Growing, and Having Fun

Nine young people came together for an unforgettable Youth Mission Week filled with service, fellowship, and fun. Throughout the week, they served several local organizations while learning how simple acts of kindness can make a meaningful difference. At Willowdale Farms, the youth weeded the pollinator garden and planted tomatoes. They partnered with Sleep in Heavenly Peace to deliver and build beds for children in our community, helping ensure every child has a safe and comfortable place to sleep.

The group also prepared snack packs for Trinity UMC's backpack event, helped Catholic Charities distribute food through its mobile food pantry, and packed lettuce seeds for the Society of St. Andrew's Gleaning to End Hunger program.

After working hard each morning, the youth enjoyed lunch together and spent afternoons building friendships through activities including the Green Light Escape Room, Jungle Rapids Family Fun Park, a movie, and time at Topsail Beach.

Youth Mission Week gave these nine participants opportunities to serve their neighbors, learn from local organizations, and grow closer as a group. We are proud of the compassion, energy, and enthusiasm they brought to every project. It was a wonderful reminder of the impact young people can make when they work together in service to others.

EXPLORE YOUR GIFT FOR LAY SPEAKING

Do you have the gift of speaking but don't feel "qualified" to preach? How might God equip you to use your gift? You are cordially invited—and encouraged—to find out!

On Sunday, September 27, Lay Speaker Tom Santa will be our guest preacher at both morning worship services and will lead a workshop at 2:00 p.m. that afternoon.

**"Here am I.
Send me!"**
- Isaiah 6:8

Tom comes highly recommended by our own Lay Leader, Al Howard, who will host the event. Please contact Al with questions or to learn more about exploring your interest in lay speaking or lay servant ministries.

Tom is a certified lay minister and lay speaker from Moyock UMC and regularly teaches lay speaking classes for the NC Conference. He is passionate about becoming a better disciple and helping others grow in their relationships with God and one another. Tom and his wife, Michelle—who introduced him to the Methodist Church—have two daughters, Mary Elysse and Lauren. After serving 22 years as an active-duty Navy Nurse Corps officer, Tom retired from the Navy and now works full-time as a family and acute care nurse practitioner.

20,000 MEALS PACKED WITH JOY AND PURPOSE!

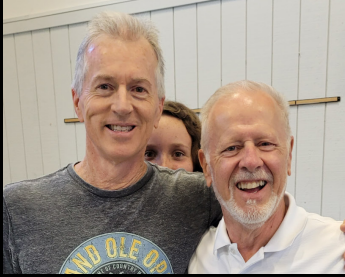

More than 100 volunteers came together on Saturday, August 22, for our annual Rise Against Hunger meal-packing event—and what a day it was!

With plenty of singing and dancing, some very cool hairnets, and a whole lot of determination, volunteers of all ages worked side by side to package 20,000 nutritious meals for people facing hunger around the world.

Rise Against Hunger is an international hunger-relief organization working to provide food and other assistance to communities experiencing food insecurity while pursuing its vision of ending hunger worldwide.

Thank you to everyone who volunteered, organized, donated, danced, sang, packed—and wore those hairnets with pride! Together, we demonstrated what can happen when a church family comes together to serve joyfully and share God's love with the world.

Ministry Item of the Month

Project AGAPE:

Help Us Share Christmas Joy!

Thank you to everyone who packed a shoebox or contributed supplies by taking an ornament listing needed items last month. If you did not have an opportunity to contribute—or would like to do more—there is still time! **Sunday, September 13, is the final day to contribute** to this ministry.

Monetary donations are also welcome to help cover the \$5 shipping cost per box and purchase items needed to complete the boxes. Please mark donations "Project AGAPE."

We will hold a packing party on Tuesday, September 29, to assemble the boxes. Check the Weekly Vine and church bulletin for more information if you would like to help. Last year, we packed 39 boxes, and we hope to meet—or exceed—that number this year!

Completed boxes may be left on the table outside the Choir Room or in one of the ministry bins in Lee Hall or the Sanctuary. The boxes will be delivered to the MERCI Center in Goldsboro in early October.

For questions or more information, please contact Beth Sanders at efsanders@charter.net or 910-470-2725.

UMM GENE PARKER MEMORIAL SHRIMPEROO

The UMM held its 2nd Annual Gene Parker Memorial Shrimperoo on Saturday, August 8, serving 138 meals! Guests enjoyed shrimp, corn on the cob, slaw, hush puppies, tea, and dessert.

A heartfelt thank-you to the WCUMC members for their support; the ladies of the church for generously providing delicious desserts; Emily Jefferys in the Church Office for expertly managing online ticket sales; and all the men who worked diligently to purchase food and supplies, prepare the meal, set up Lee Hall, and clean up afterward.

The Shrimperoo was truly a group effort, with everyone willingly stepping in wherever needed to make the event a success. Proceeds from the Shrimperoo help support local missions. Our next UMM meeting will be September 14, 2026, at 6 p.m. Brian Both and Rick France will be preparing dinner.

MEN'S BIBLE STUDY BEGINS SEPTEMBER 9

The Men's Bible Study will begin a new study of Richard Rohr's latest book, *The Tears of Things*, on Wednesday, September 9, at 9:30 a.m. Study materials will be provided.

Pete Holmes describes the book as "a much-needed roadmap to wisdom and higher, more hopeful ground" in a world that can sometimes feel like "a house on fire." The same book will also be offered during the Sunday School Hour beginning Sunday, September 13, in the Chapel, and will conclude on November 22. If you are looking for a new learning experience, join us!

How do we live compassionate lives in a time of injustice, violence and despair?
Richard Rohr turns to the writings of the **Jewish prophets** to offer us a path forward **today**.

WOMEN'S BIBLE STUDY BEGINS SEPTEMBER 16

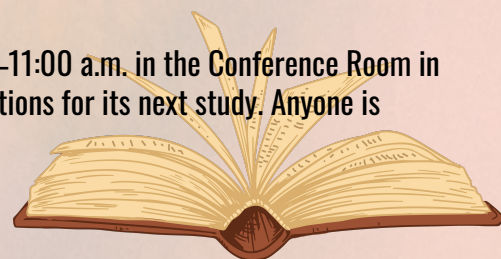

The Women's Bible Study will begin its fall session on Wednesday, September 16, from 9:30–11:00 a.m. in the Conference Room in Lee Hall. The group will complete the final three lessons in *The Cross* while also exploring options for its next study. Anyone is welcome to join at any time for fellowship and discussion!

September 16: "Self-Understanding and Self-Giving" — Luke 9:23–27 and Luke 12:22–34

September 30: "Loving Our Enemies" — Romans 12:9 and 12:14–13:5

October 6: "Suffering and Glory" — Hebrews 4:14–16 and 5:7–9

Because several members are also working hard to prepare for the November 7 Bazaar, the Bible Study will not meet on the same Wednesdays as the Craft Circle. Once the Bazaar is over, the group plans to return to meeting every Wednesday. Stay tuned—and we hope to see you on September 16!

WELCOME TO LITTLE LAMB'S LOUNGE

We are delighted to introduce Little Lamb's Lounge, a welcoming new space in the room at the back of the sanctuary. Designed with nursing mothers and toddlers in mind, the lounge offers families a comfortable place to take a short break during worship while remaining connected to the service.

Children of all ages are always welcome in worship! Their voices, energy, and presence are a joyful and important part of our church family. Little Lamb's Lounge is simply an optional space where parents and young children can step away for a few moments when needed.

The lounge includes a rocking chair, changing table, sensory board for quiet play, and a television showing the worship service. Nursery care will also continue to be available in Lee Hall.

A special thank-you to Barbara Stapleton for creating the beautiful mural that makes Little Lamb's Lounge warm, cheerful, and inviting.

We hope this new space will be a blessing to families and another reminder that every child is a cherished part of our worship at Wesleyan Chapel!

LYDIA ABBEY CRAFT CIRCLE: BAZAAR PREPARATIONS ARE UNDERWAY!

With Craft Camp behind us, we have just eight sessions remaining to complete projects for Bazaar '26. We are also beginning to collect Attic Treasures. With the loss of the Good Samaritan House and its storage space, we may have fewer items available this year, so we especially appreciate your continued support. Please hold all Attic Treasures until Bazaar week, when they may be dropped off at Lee Hall. Watch the church bulletins, Weekly Vine, and Cornerstone for specific drop-off days and times.

As you downsize and declutter, please consider setting aside gently used items for the Bazaar. Popular donations include adult and children's books, toys, games and puzzles, sports equipment, household items, home décor, small appliances, tools, gardening items, hunting and fishing items, and Christmas decorations. Please donate only clean, gently used items that are free of rust, cracks, chips, missing parts, or unpleasant odors. A good rule of thumb: *If you wouldn't give it as a gift because of its condition, please don't donate it.*

And, as promised, here are more photos from our Wonderful and Wacky Wild West Craft Camp! As you can see, everyone had a great time!

MAKE A JOYFUL NOISE:

CHANCEL CHOIR, CHRISTMAS CANTATA & HAND BELLS

The Chancel Choir returns from its summer break on Sunday, September 13, 2026! If you love to sing, we invite you to **join us for rehearsals on Wednesday evenings at 7 pm in the Choir Room** adjacent to the Sanctuary. Come and make a joyful noise unto the Lord!

It's time to begin preparing for our Annual Christmas Cantata, **Noel, Jesus Is Born**, to be presented on Sunday, December 13, at 4 pm. We are excited to present this work alongside members of the Hampstead Chancel Choir and the Wesleyan Chapel Orchestral Players.

Handbell Choir Needs Ringers

The Handbell Choir needs two additional ringers! If you can read music and would like to be part of this musical ensemble, join us on Wednesday evenings at 6:15 pm in the Sanctuary.

Thank You, Summer Choir Musicians!

Thank you to everyone who faithfully blessed our worship through music each week this summer. Your gifts and participation are greatly appreciated!

COME **LIFT** ONE ANOTHER UP!

LIFT—Ladies in Fellowship Together—had a wonderful first meeting, and we would love for you to **join us** at our next gathering on **Monday, September 14, at 7 p.m.** upstairs in Lee Hall!

LIFT is a welcoming group of women who gather monthly for food, fellowship, and Bible study. Whether you are new to Wesleyan Chapel UMC or have been attending for years, LIFT is a wonderful opportunity to grow in faith and build meaningful friendships.

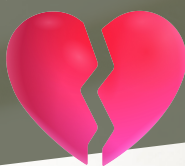

Bring yourself, invite a friend, and enjoy an evening of laughter, conversation, and spiritual growth. There is always a place for you at LIFT!

Our New Normal:

Turning Worry and Grief into Worship

Our New Normal group met on August 17 at 10:00 a.m. Though we were a small group, our time together was deeply meaningful. Tess Reavis led us in a thoughtful devotion, encouraging us to turn our worry and grief into worship! Our next meeting will be September 21 at 10:00 a.m. Blessings, Gladys Booz

Summer Sunday School Brings Faith and Fun Together

Summer Sunday School has been filled with laughter, learning, and meaningful conversations as our children grew in faith together each week at Wesleyan Chapel UMC.

One highlight was hearing from Beth Sanders, who shared the history of Wesleyan Chapel and old photographs. The children enjoyed learning that our Chapel is 95 years old and discovering more about the people, traditions, and faith that have shaped our church family.

The fun continued with activities like Ping Pong Shake & Dance, Human Hungry Hippos, and Pool Noodle Soccer, bringing plenty of laughter while building friendships and teamwork.

Summer Sunday School concluded on August 23. On Sunday, August 30, children joined us for Back to Church & Back to School Sunday, followed by a potluck and foam party! Look for photos in next month's Cornerstone.

Regular Sunday School begins September 6, with classes for Kindergarten–3rd grade and 4th–6th grade upstairs.

We are grateful for our dedicated volunteers and guest speakers who made this summer such a meaningful experience. It has been a wonderful season of growing in God's Word, making friends, and creating joyful memories!

CHILDREN'S CHURCH:

Growing in Worship and Leadership

September brings a few new opportunities for worship to Children's Church! Throughout the next couple of months, children will learn to take a more active role in their worship service. Along with taking greater ownership and responsibility through participation, it is hoped they will become more comfortable helping lead worship—perhaps even in the sanctuary from time to time.

Each week, children in K–6th grade will continue to follow the basic worship service format, enjoy rhythm and movement through “hymns,” and act out the Scripture of the day when possible.

If your children have been away for a while, be sure they are ready to “get back to Children's Church”! During the 11:00 a.m. worship service, children are dismissed after the Passing of the Peace to continue worship in the Chapel. Parents, please pick up your child(ren) in the Chapel following the sanctuary worship service.

A WARM WELCOME MAKES A DIFFERENCE

Lately, we have been blessed with visitors at our worship services each Sunday! It is wonderful to see so many of you greeting someone you do not recognize with a smile, handshake, or friendly conversation.

With 20 people officially joining our congregation in July, it is clear that our church family is growing—and it often begins with a visitor simply feeling welcome. Thank you for noticing those who bravely enter our sanctuary not knowing anyone and helping them feel seen.

Be their first friend!

BOY SCOUT TROOP 234

Trip to Philmont Scout Ranch

Troop 234 recently embarked on a trip to Philmont Scout Ranch in the high plains of New Mexico. The group had been preparing for this adventure for over a year and finally had the opportunity to showcase their skills during a 12-day backpacking trek covering 65 miles of rugged terrain.

During the trip, the Scouts learned to work together as a crew and spent time in the remote backcountry reflecting on God's creation. Between rock climbing, black-powder rifle shooting, and horseback riding, they also helped protect the environment by completing a conservation project.

Congratulations to these young men on a job well done!

REFUGEE ASSISTANCE TEAM

Supporting the Zazai Family Through Changing Times

The Zazai family's SNAP benefits have been reduced by approximately \$800 per month, creating additional challenges in meeting the food needs of their household of seven. In response, the Refugee Assistance Team, with support from church members and friends, has helped provide food assistance during this transition.

Team members visit the family every two weeks to assess staple food supplies. Essential items are purchased in bulk at Costco and Sam's Club, helping stretch donated funds while ensuring the family receives nutritious, reliable food. Your ongoing contributions through the church website are making a difference, and the Assistance Team extends heartfelt thanks for your compassion and support.

A Joyful Start to the School Year

The children are preparing for a new school year. Team members accompanied Halima and the children to community outreach events, where they received backpacks and basic school supplies. The outing also included eyesight screenings for the children and a general health check for Halima.

The team then visited Walmart to purchase essential school clothing, helping each child feel prepared and confident for the year ahead. A generous church member also donated a large dresser, which quickly became a treasured addition to the home. One child even created labeled sticky notes for each drawer so everyone has their own space! The children were deeply grateful for the shopping trip, dresser, and kindness shown to them.

Gratitude for a Caring Congregation

Thank you for making this support possible. Your gifts—and the dedication of the Refugee Assistance Team—

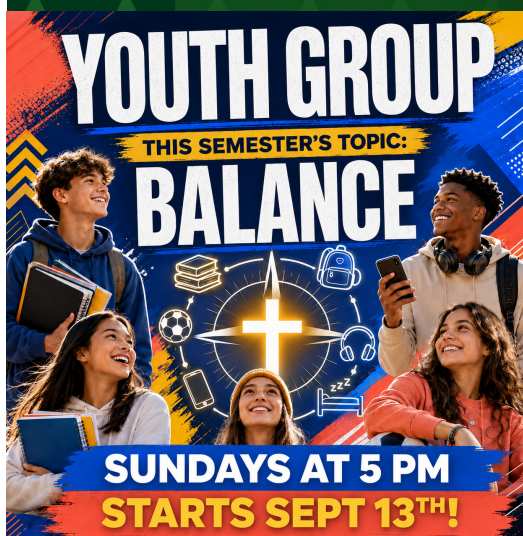

continue to help meet the family's needs, including nutrition, health, education, transportation, and the challenges of resettlement. Your prayers and encouragement remain a vital part of the Zazai family's journey, and we are grateful for the love you continue to share.

YOUTH GROUP RETURNS SEPTEMBER 13!

We're excited to announce that Youth Group returns on Sunday, September 13, at 5:00 p.m.!

Our fall topic will be BALANCE. Together, we'll explore how to keep God at the center of our lives while balancing busy schedules filled with school, work, sports, and other activities.

Each Sunday evening will include a lesson, games, and dinner. Invite a friend and join us for an evening of faith, food, and fun!

K-5 ALIVE RETURNS THIS FALL

K-5 Alive begins Wednesday, September 2! Children in Kindergarten through 5th grade are invited every Wednesday 4:30–6:30 p.m. for faith, fun, friendship, and food. This fall, we'll explore "The 13 Most Important Things..." through engaging Bible lessons, hands-on crafts, music, games, and meaningful conversations. Children will discover important Bible stories and how they can help us grow in faith and our relationship with Jesus.

Each evening includes dinner and plenty of time to build friendships. Children will also learn songs for a special Christmas program to share with our church family.

The cost is \$40 per child for the semester, which helps cover weekly dinners.

Whether your child is returning or joining us for the first time, we can't wait to welcome them!

PENNIES FOR HUNGER

2nd Sunday Each Month

Next Collection date: September 13

August Collection \$301.89

2026 Total: \$2,888.56

It is hard to believe we are already two-thirds of the way through the year! This month, our Pennies for Hunger contributions will support the Community Holiday Assistance Program (CHAP) Thanksgiving meals.

This will be our seventh donation of the year. With eight months behind us, we have collected an average of \$360.07 per month. If we continue at this level, we should be able to support 11 ministries this year that help individuals and families experiencing food insecurity.

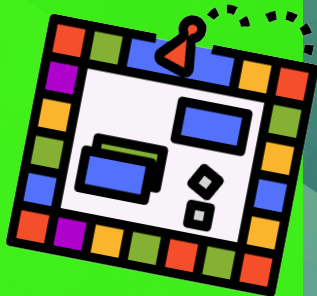

In addition to pennies, we gladly accept all coins, bills, checks, and online contributions.

Pennies Fact: In 1973, the U.S. government experimented with aluminum pennies because of rising copper costs. The coins were never released to the public, largely because aluminum would not show up on an X-ray if swallowed. A small number reportedly entered circulation and are considered illegal to own.

BACK TO SCHOOL, BACK TO CHURCH, BACK TO SMALL GROUPS!

It's Back to School and Back to Church time, and I encourage you also to get back to small groups! We would love for you to join us on the third Tuesday of each month for fun, fellowship, and food.

The JOY Group will meet this month on Tuesday, September 18, at 10 am in Lee Hall. We'll begin with a short devotion, then break into small groups to play games until noon. For those who would like to continue the fellowship, we'll head to **PT's Grille** in Porters Neck for lunch afterward.

P.T.'S
OLDE FASHIONED GRILLE

Ice Cream Social at Oak Grove

On August 2, we enjoyed a wonderful Ice Cream Social at Oak Grove at Blake Farm. It was a beautiful afternoon filled with delicious treats, friendly conversations, and a strong sense of community. We were grateful for the opportunity to meet our neighbors, learn more about them, and share information about our church.

The gathering was a lovely reminder of how meaningful it is to connect with others and build new friendships. Thank you to everyone who joined us and helped make the afternoon so special. We look forward to many more opportunities to gather with our neighbors!

UPDATING OUR AV SYSTEM

Following damage caused by a lightning strike, we have been working to repair and improve our audiovisual system. Recent upgrades include a replacement camera, new networking equipment, and our largest improvement: two new display screens for the front of the Sanctuary. These updates will enhance our in-person worship experience and restore our YouTube broadcast capabilities.

We also plan to repurpose the unused screens, placing one in Little Lamb's Lounge and using the others for future AV improvements throughout our facilities.

We are grateful for everyone's patience and support as we continue making these important improvements.

We are so excited to begin another wonderful school year at our preschool! We look forward to welcoming all of our students and their families for a year filled with learning, laughter, friendship, and fun.

Our Open House will be held on Tuesday, September 8, beginning at 9:00 a.m. This will be a wonderful opportunity for families to visit the school, meet the teachers, explore the classrooms, and get ready for the year ahead.

Our first day of school is Wednesday, September 9, and we cannot wait to see all of our students walking through our doors with smiles!

We look forward to a fantastic school year and creating many special memories together. Welcome back, families—we are so happy you're here!

BUDDY BACKPACKS: **READY FOR A NEW SCHOOL YEAR**

As summer comes to an end, the Buddy Backpacks ministry is preparing for a new school year and the opportunity to continue serving students and families in need. With returning families and new students expected to need assistance, the ministry continues to grow and seek additional financial support through grants and community partnerships. Buddy Backpacks is currently applying for three grants from commercial organizations that support programs serving people experiencing hunger in local communities.

Last school year, a dedicated team of **30 volunteers served** as both a food pantry and school snack program for students and families at Cape Fear Elementary School and Topsail High School. Volunteers provided weekly weekend Power Packs for elementary students, food pantry bags containing approximately seven meals for a family of four, and snacks for students identified by school counselors and social workers.

The ministry also provided essential hygiene products not covered by SNAP, monthly juice deliveries, and grocery store gift cards for families with the greatest needs. **Altogether, Wesleyan Chapel provided more than 16,000 meals to neighbors during the school year.**

As a new school year begins, Buddy Backpacks looks forward to continuing this important mission and responding to the needs of both returning and new students and families. This ministry is made possible through the generosity of our congregation, community partners, grant providers, and volunteers.

If you are interested in being part of this mission, please contact **Vicki Thompson, Buddy Backpacks Coordinator**, at **momathompson@gmail.com**

A LABOR OF LOVE: CARING FOR GOD'S GARDEN

All summer long—through the heat, sunshine, and rain—Steve Beuth has faithfully volunteered his time and energy to care for the beautiful flower gardens throughout the Wesleyan Chapel campus. From watering and weeding to planting and maintaining the gardens, Steve's selfless work has helped keep our grounds welcoming and beautiful.

His efforts are a wonderful reminder that beauty can be an act of worship, bringing glory to God and joy to all who visit our campus.

"Whatever you do, do it all for the glory of God."

— 1 Corinthians 10:31

Thank you, Steve, for your hard work and dedication! If you enjoy gardening and would like to help care for our campus gardens, additional volunteers are always welcome.

TRUSTEES EXPLORE LIGHTNING PROTECTION

Following the significant damage previously caused by a lightning strike, the Trustees are exploring options to better protect the Sanctuary from future strikes and power surges. Given our geographical location and the height of the Sanctuary steeple, lightning exposure and power surges remains an ongoing concern. We are grateful for the time, dedication, and thoughtful work our Trustees give to caring for Wesleyan Chapel and its facilities. If you have an interest in helping care for and maintain our church property and would like to learn more about serving as a Trustee, please contact the Church Office.
