Fall Bazaar

NOVEMBER 7, 9AM - 2PM

We Need You!

The bazaar is a great opportunity for each of you to share your time, your gifts, and your talents. Homemade baked goods are always a great seller; your attic treasures become someone else's gems, and your personal crafts always help make our bazaar unique. There are also numerous opportunities to help in the preparations that lead up to the bazaar and of course, we hope you will join us for food and shopping on the bazaar day. Please email Michelle Pearsall at mitchpearsall@yahoo.com and indicate any way you will be able to help.
